# مميزات تطبيق Ask AI

# واجهة التطبيق

The screenshot shows a dark-themed interface for a subscription offer. At the top, there's a status bar with battery, signal, and time (9:37). Below that, a close button (X) and a 'Restore' button are visible. The main heading is 'Unlock Unlimited Access'. The benefits are listed with icons: two stars for 'Answers from GPT3.5', two arrows for 'Higher word limit', an infinity symbol for 'No Limits', and an 'AD' icon for 'No Ads'. The pricing section shows a green box for '\$4.99 / Week' (3 days Free Trial, Auto Renewal) and a white box for '\$39.99 / Lifetime' (Billed Once) with a 'Save 70%' badge. A large green button at the bottom says 'Start Free Trial and Plan'. At the very bottom, there are links for 'Privacy | Terms' and 'Cancel Anytime'.
