The image shows a screenshot of the 'Designer' AI interface. At the top, there's a navigation bar with a menu icon, the 'Designer' logo, and a 'PREVIEW' button. Below this, the main area is titled 'Describe the design you'd like to create'. The prompt entered is 'تصميم خاص بمناسبة عيد الفطرا'. A suggestion box below the prompt reads: 'Click to try this suggestion: "Create an elegant design to celebrate Eid al-Fitr. Incorporate traditional elements like lanterns and crescent moons in green, yellow, and gold."' Below the prompt area are buttons for 'Add media', 'Generate image', and a purple 'Generate' button. At the bottom left, there's a link: 'Skip and start with a blank design or edit recent designs'. On the right side, there's a section titled 'Explore more prompts' with a 'Size' dropdown. It displays a grid of nine generated images related to Eid al-Fitr, including food, lanterns, and traditional motifs. At the bottom right of the grid are 'Download' and 'Customize design' buttons. A circular logo with Arabic calligraphy is positioned at the bottom center of the interface.

The image shows a screenshot of the Designer AI tool interface. The main prompt is "social media post". Below the prompt, there is a suggestion box that says: "Click to try this suggestion: 'Create a professional social media post that showcases my brand and promotes my business. Use blue, green, or gray colors.'" At the bottom of the interface, there are buttons for "Add media", "Generate image", and "Generate". A red arrow points to the "Size" button in the "Explore more prompts" section, which has opened a menu with three options: "Square" (1080x1080px, Instagram post), "Landscape" (1200x628px, Facebook ad), and "Portrait" (1080x1920px, Instagram story). The interface also includes a "Preview" button, a "Download" button, and a "Customize design" button. A circular logo with Arabic calligraphy is visible in the bottom center.
